

## Go Play! Scholarship

During the summer and fall of 2007, the CVS All Kids Can™ program awarded scholarships to communities interested in building a Boundless™ playground. The \$1,000 scholarships were applied as a credit towards the \$1,795 registration fee for the Boundless Playgrounds **Go Play!** membership program.

A special thanks to CVS Caremark and the CVS Caremark Charitable Trust for helping more communities realize the dream of an inclusive Boundless™ playground.

## CONGRATULATIONS!
